

Name

Date

Insectivores – Insectivora

Amphibians and Reptiles

- ___ Tiger Salamander – *Ambystoma tigrinum*
- ___ Western Terrestrial Garter Snake – *Thamnophis elegans*

Introduced Fish

- ___ Eastern Brook Trout – *Salvelinus fontinalis*

Insects with complete metamorphosis

Butterflies

- ___ Western Tiger Swallowtail – *Papilio rutulus*
- ___ Orange Sulphur – *Colias eurytheme*
- ___ Clouded (Common) Sulphur – *Colias philodice*
- ___ Mourning Cloak – *Nymphalis antiopa*
- ___ Weidemeyer’s Admiral – *Limenitis weidemeyerii*

Wildlife Checklist – Big Thompson Pool

Even-toed Ungulates - Artiodactyls

Deer Family – Cervidae

- ___ Elk (Wapiti) – *Cervus elaphus canadensis*
- ___ Mule Deer – *Odocoileus hemionus*

Carnivores – Carnivora

Canine Family - Canidae

- ___ Coyote – *Canis latrans*

Bear Family – Ursidae

- ___ Black Bear – *Ursus americanus*

Weasel Family - Mustelidae

- ___ Long-tailed Weasel – *Mustela frenata*

Rabbits – Lagomorpha

Rabbit and Hare Family - Leporidae

- ___ Mountain or Nuttall’s Cottontail – *Sylvilagus nuttallii*
- ___ Snowshoe Hare – *Lepus americanus*

Rodents – Rodentia

Squirrel Family – Sciuridae

- ___ Red or Pine Squirrel (Chickaree) *Tamiasciurus hudsonicus*
- ___ Golden-mantled Ground Squirrel – *Spermophilus lateralis*
- ___ Least Chipmunk – *Neotamias minimus*
- ___ Uinta Chipmunk – *Neotamias umbrinus*

Mouse Family – Cricetidae

- ___ Muskrat – *Ondatra zibethicus*

Beaver Family - Castoridae

- ___ Beaver – *Castor canadensis*

Big Thompson Pool - elevation 8355 feet

Trailhead 8155 feet – 1.7 miles each way

List compiled by Kaiyote Snow - updated October 2009

This is a list of all the species that have been observed along
The Big Thompson Pool Trail on Kaiyote’s Birding & Botany Hikes

Kaiyote Tours 970-556-6103 www.KaiyoteTours.com

Birds (48 species) in alphabetical order

___ American Crow – *Corvus brachyrhynchos*
___ American Dipper – *Cinclus mexicanus*
___ American Magpie – *Pica hudsonia*
___ American Robin – *Turdus migratorius*
___ Belted Kingfisher – *Ceryle alcyon*
___ Black-capped Chickadee – *Parus atricapillus*
___ Blue Grouse – *Dendragapus obscurus*
___ Brewer’s Blackbird – *Euphagus cyanocephalus*
___ Broad-tailed Hummingbird – *Selasphorus platycercus*
___ Brown Creeper – *Certhis americana*
___ Cedar Waxwing – *Bombycilla cedrorum*
___ Clark’s Nutcracker – *Nucifraga columbiana*
___ Common Nighthawk – *Chordeiles minor*
___ Common Raven – *Corvus corax*
___ Cordilleran Flycatcher – *Empidonax occidentalis*
___ Dark-eyed Junco – *Junco hyemalis*
___ Downy Woodpecker – *Picoides pubescens*
___ Golden Eagle – *Aquila chrysaetos*
___ Gray Jay – *Perisoreus canadensis*
___ Green-tailed Towhee – *Pipilo chlorurus*
___ Hairy Woodpecker - *Picoides villosus*
___ Hermit Thrush – *Catharus guttatus*
___ House Wren – *Troglodytes aedon*
___ Lincoln’s Sparrow – *melospiza lincolnii*
___ MacGillivray’s Warbler – *Oporornis tolmiei*
___ Mallard – *Anas platyrhynchos*
___ Mountain Bluebird – *Sialia currucoides*
___ Mountain Chickadee – *Poecile gambeli*
___ Mourning Dove - *Zenaida macroura*
___ Northern Flicker – *Colaptes auratus*

___ Red-breasted Nuthatch – *Sitta Canadensis*
___ Red-naped Sapsucker – *Sphyrapicus nuchalis*
___ Red-winged Blackbird – *Agelaius phoeniceus*
___ Ruby-crowned Kinglet – *Regulus calendula*
___ Rufous Hummingbird – *Selasphorus rufus*
___ Song Sparrow – *Melospiza melodia*
___ Spotted Sandpiper – *Actitis macularia*
___ Steller’s Jay – *Cyanocitta stelleri*
___ Townsend’s Solitaire – *Myadestes townsendii*
___ Townsend’s Warbler – *Dendroica townsendi*
___ Turkey Vulture – *Cathartes aura*
___ Violet Green swallow – *Tachycineta thalassina*
___ Warbling Vireo – *Vireo gilvus*
___ Western Tanager – *Piranga ludoviciana*
___ Western Wood-pewee – *Contopus caribaeus*
___ White-breasted Nuthatch – *Sitta carolinensis*
___ Wilson’s Warbler – *Wilsonia pusilla*
___ Yellow-rumped Warbler – *Dendroica coronata*
